

WEDNESDAY NIGHT WACKERS WIND UP FOR 27/07/05 "SLOWER«.OLDER«WIDER»>"

What a night it was at the Wackerthon as 3 brand new talented Wackers stepped up to the holy Wacker shrine to be anointed with their prized new Wacker status. **The Legend**, **Superman** and **The Slammer** all proved they were worthy Wackers with outstanding debuts by the three at their inaugural Wack. Along with the continued success of last week's inductees, **The Yuppie**, **Davis Cup** and **The LearJet**, suddenly the established Wacker old guard is under threat of being outplayed by the talented young guns.

After a week of innuendo and sensationalism by the mercenary media over a rumoured break up of **The Brandy Order** team, **Brandy Alexander** added further fuel to that fire when he appeared without **Order In The Court** but instead sported a new look **Terminator** on his side to try and defeat the tough **Master Blaster** and **Muff Diver** team, it was all to no-avail however as the stress was all too evident as a nervous **Brandy** was clearly off key in a 0/6, 2/2 drubbing. All eyes will be waiting to see who **Order In The Court** teams up with next week after a series of well known Wackers were caught secretly leaving his Bondi Beach apartment during the week.

Elsewhere **The Lear Jet** took off to a great start with **So Cool** in a sound 6/2 victory over a cursing **Short Black** and **The Amazing Haze**. **The Lear Jet** was then co-piloted by **The Rabbit Warren** against the elder statesman teaming of **Swiss Cheese** and **The Ball Toss** who were just too bouncy, winning 6/4. 6/4.

Earlier, in a close struggle, **The Ball Toss** partnered the newbie, **The Legend** to a memorable 6/4 win over **The Rabbit Warren** and **The Slammer**. A return to form for the once great **Toss** who struggled in recent weeks to live up to his former superstar status. Over on Vodafone Arena the ring-in Pommie paring of **The Yuppie** and **Davis Cup** featured in one of the matches of the round that could have gone either way in a thriller against **Swiss Cheese** and **Silver Fern**, in the end the Poms edged out 7/6 winners which saw them erupt in ecstatic choruses of, 'Balmy Army, Balmy Army' **Davis Cup** then switched to partner **The Amazing Haze** against **The Silver Fern** and **The Fox** in another close one that ended with the Foxy Ferns getting up in 3 sets, 2/6, 6/3, 6/3.

Up on the graveyard court, **Superman** lived up to his name when he and **The Fox** blew away **Caprioska** and **The Trader** 6/0 in a set where all the **Trader** wanted to do was trade his partner. **Short Black** then arrived to team with **The Legend** in a hard fought 6/3, 6/4 victory over **So Cool** and **The Trader**.

"Change my name to Short Black with the Long Shlong" boasted an ecstatic **Short Black** afterwards.

Arthur Ashe Stadium was the setting for some final relief for **Brandy Alexander** when he and his new partner, **The Terminator** dished out a 6/0, 6/2 shellacking to **Superman** and an off key **Caprioska** was was distraught that his lucky headband had been mistakenly washed by Mr's **Caprioska**.

Centre Court hosted the final match of the evening and what a contest it was when **The Muff Diver** and **The Master Blaster** just got up 6/3, 3/6, 3/1 over a hard hitting **Yuppie** and **The Slammer**.

The after party went on long into the night until neither **The Fox**, **Blaster** or **Wine Barrel** could remember anything that had happened earlier so they rolled themselves home.

Wackers of the night: **The Muff Diver, The Master Blaster, The Ball Toss**

Drinker of the night: **The Master Blaster**
